

NAPA VALLEY TRIP

hosted by
Daniele Gozzi & Cecilia Giovacchini

JULY 31, 2017

Napa Valley is the epitome of countryside scenery and legendary acclaimed wines. We will be visiting 3 acclaimed vineyards, have lunch at a restaurant in Yountville (Napa), and finish up the tour with an Italian Feast!

Join us and experience the best MONDAY of your life!

*Our tour will start with a sparkling wine and cheese tasting at an acclaimed **Domaine Carneros** whose sparkling wines rival best French champagnes. We will then go to lunch at world-renowned Michelin Star chef **Thomas Keller's Ad Hoc** restaurant in Yountville followed by a tour and tasting at world acclaimed **Stag's Leap Wine Cellars**, whose Cabernet bested the top Bordeaux at the 1976 Judgement of Paris making Napa Valley one of the best wine-making regions in the world. The tour will then continue to **Silver Oak** winery, with a glass in hand, we will be guided on a private tour of the winery. We will experience first-hand the Barrel Chai, History Gallery, and production area; culminating with a Library Tasting. A day like this would not be complete without a proper Italian Feast at a Diners' Choice Award winning restaurant - **Incontro** where we will wine and dine the night away under the starry skies!*
