hosted by

Maurice & Rita Algarra

## JULY 30, 2018

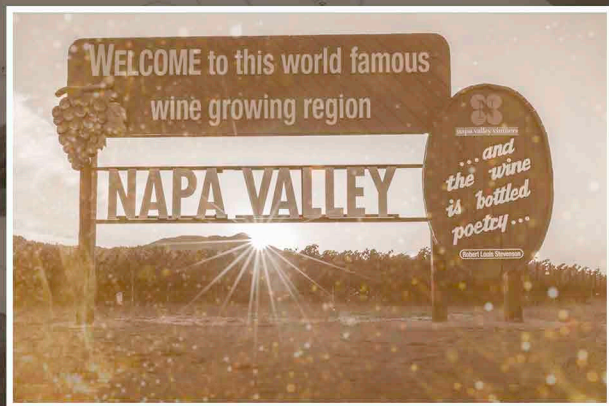

*Napa Valley is the epitome of countryside scenery and legendary acclaimed wines. We will be visiting 3 acclaimed vineyards, have lunch at a restaurant in Yountville (Napa), and finish up the tour with a dinner at an acclaimed Napa restaurant!*

*Join us and experience the best MONDAY of your life!*

*Our tour will start with a sparkling wine and cheese tasting at an acclaimed **Domaine Carneros** whose sparkling wines rival best French champagnes. We will then go to lunch at world-renowned Michelin Star chef **Thomas Keller's Ad Hoc** restaurant in Yountville followed by a tour and tasting at **two award-winning Napa Valley wineries**.*

*A day like this would not be complete without a proper dinner at a Napa Valley restaurant where we will wine and dine the night away under the starry skies!*

*An unforgettable day in the world's most iconic and scenic regions in the world and home to over 400 wineries!*
